This guide is designed to help you make informed choices when you eat at Estia Greek Street food. If you have any questions or concerns about food allergies or sensitivities, we recommend that you contact your medical professional.
We have prepared this guide based on the most current ingredient information from our food suppliers. There is a possibility that manufacturers of the commercial foods we use could change the formulation at anytime, without notice. Some variations may occur due to season, supplier, and minor differences in product assembly. The information is based on standard recipes and product formulas. Please be aware that during normal operations involving shared cooking and preparation areas, including common fryer oil, the Greek Street Food will not assume any liability for adverse reactions to food consumed, or items one may come in contact with while eating at our establishment.
Greek Street Food will not assume any liability for adverse reactions to food consumed, or items one may come in contact with while eating at our establishment.
